

# Performing Arts Profile

The Performing Arts Profile offers an art program to all students who love art and love to perform. While the school's curriculum offers mostly visual arts, this profile will have students explore dance, music, improvisation and acting. Beginners acting classes are given. The goal is for students to get used to the stage and the vocabulary. Furthermore, field trips and visits from professionals will eventually be organized.

The Performing Arts profile allows students to prepare a performance for TRA's Got Talent, which is a Talent Show where students perform and professionals are invited to judge. Students chosen by the judges will go to the Performing Arts Festival in Quebec City. The Performing Arts Festival (PAF) is a festival in which schools from all over the school board participate and students from our schools get to perform on a professional stage in front of an audience. It is a great opportunity for students to shine and bloom!
