Anti-Bullying and Anti-Violence Plan

ST. PATRICK'S HIGH SCHOOL

End-of-Year Evaluation

Principal / Centre Director: Simon Taillefer

Shared with Teacher Council 10/22/26

Shared with Parents 10/28/26

Submitted to Coordinator of Complimentary Services and Director General 10/30/26

Priorities (taken from the ABAV Plan)

-Increase student intervention as bystanders/witnesses.
-Increase staff and coach awareness regarding inappropriate sexual behaviour, prejudicial violence, bullying, sexual harassment, and sexual assault.
-Improve cultural awareness and acceptance throughout the school year.
-Continue promoting a secure environment through reporting mechanisms, supervision, student assemblies, and wellness initiatives.

Actions / Initiatives to Maintain or Let Go

Initiatives to maintain:
-Behavioral Intervention Model
-Anti-bullying campaign organised by student life in February (Pink Day)
-Emergency protocol in case of crisis
-Student protocol
-Emergency support measures following return from suspension.

Actions / Initiatives to Develop

-Administration lead student assemblies where the bystander effect is consistently explained and reporting is encouraged.
-External initiatives for our sports teams to support wellbeing and healthy habits including adequate behaviour and personal limits.
-Additional supervisors dispatched across the school.
-Better distribution of international students to emphasize their influence across the groups.
