

# NOW AVAILABLE

The “Find My Bus” tool will allow you to determine if your child has the right to school transportation.

If so, it will provide details of the **bus number, time and place of pick up/drop off.**

Please take note that if you have any corrections or changes to your address, we ask that you contact your child’s school.

**Please be sure to consult again after August 20<sup>th</sup> 2020 to ensure no changes have been made to your bussing information.**

The “**FIND MY BUS**” logo can be found on the CQSB website under the Transportation “Our Team” Tab

You will need the following to be able to access this information on our website:

- your child’s ID number (7-digit number found on his/her report card)
- your postal code

## KINDERGARTEN STUDENTS

For the newcomers, you will be able to find your child’s ID number by contacting the school or the transportation department.

The school will be providing a “Name Badge” to each kindergarten and first grade students on the first day of school. This badge will detail your **child’s name, grade and bus number.** It is a parental responsibility to ensure this tag is available and visible to the bus driver.

Kindly note it is important that your child learns the proper safety rules of riding a school bus, we encourage you to review these rules which can be found on our website in the Transportation Tab under **Policies.**

## TRANSPORTATION POLICY

We invite you to review our revised School Transportation Policy and other new material added which can be found on our website under Transportation ⇨ Policies.
