## THE CENTRAL QUÉBEC SCHOOL BOARD VALUES...

the natural manner in which children explore and discover the world around them. We encourage children to actively learn, develop autonomy and establish positive relationships with adults and peers.

## PARENTS

As your child's first teacher, you know your child's strengths and weaknesses.

Your support is essential in helping your child be successful in school.

# The Early-Childhood Program (Pre-Kindergarten)

At the Central Québec School Board  
your child will experience...

- ♦ the opportunity to play and develop in an English setting;
- ♦ a safe, nurturing environment;
- ♦ an opportunity to build meaningful relationships with other adults;
- ♦ the chance to establish new friendships;
- ♦ an opportunity to develop his/her own natural abilities and aptitudes;
- ♦ a gentle introduction to school life;
- ♦ a setting where parents and educators collaborate together.

I learn with the help  
of my friends and  
educators.

I am unique.  
I learn at my own pace.

I am growing:  
• Emotionally  
• Physically  
• Socially  
• Cognitively  
• Morally

I learn best through play.

I explore the world around me.  
I experiment and try new things.
