

Registration Form - Ministry Examinations in July/August 2026

DEADLINE for submitting this form to your school Principal: **July 9**

PROCEDURE

- Fill in this form with all the requested information. An incomplete form will be returned to you for completion.
- Both student and parents need to sign and date the form, before returning it to their school's administration for verification and approval.
- Once approved, the school principal will sign the form and send it to the appropriate department.

NOTE: If you are registered for Summer School with LEARN, you **don't** need to fill in this form. You have already been signed up for the ministry examination related to the summer course you registered for.

Parents are responsible for organizing the student's transportation to and from the examination's location. Please note that students who would be late for an examination would not be allowed to write the examination and would have to register for the next ministry examination session, which is held in January.

Students are not allowed to have with them any electronic devices during an examination (computer, tablet, cell phone, watch, earbuds, etc.) Students who would not abide by this rule would be considered cheating and would be expelled from the examination room, as per ministerial guidelines.

In partnership with LEARN, CQSB organizes Summer School classes to prepare students to re-write ministry examinations. Any student who registers for a ministry examination without being registered to Summer School with LEARN must prepare by themselves. It falls under the student's and parents' responsibility to ensure this (e.g. hire a teacher/tutor).
