

# VISUAL ART PROFILE

“Creativity is allowing yourself to make mistakes.  
Art is knowing which ones to keep”.

-Scott Adams-

This profile is intended for students who are interested in the study of **ART**.

Emphasis will be placed on :

- ✓ Individual development;
- ✓ Originality;
- ✓ Broadening skills;
- ✓ Problem solving;
- ✓ Reflection.

Art profile students will have the unique opportunity to build their creative, imaginative and observation skills, while learning to appreciate Art. Through individual and teamwork projects, the heart of this profile is hands-on; **drawing, painting, 3D work, assemblage** and **mixed media**; with an introduction to **multimedia**.

Student self-reflection will help them identify which techniques, gestures and ideas are best suited for each project.

There will also be an appreciation component; with museum and gallery visits, complemented by observation and sketching **outings**.

Students will be expected to frequently reflect upon their work; identifying their strengths and limitations in order to improve and find direction in their work.

Students will be evaluated on the specific competencies set out by MELS:

- 1. Creation**
- 2. Appreciation**

A **PASSION** and an **OPEN MINDED** attitude are important for students interested in this profile.
