

RTC BUSES FOR HIGH SCHOOL STUDENTS

To the parents of students entering Secondary 1 at the beginning of the 2021-2022 school year and living in the *arrondissements* de la Ville de Québec, L'Ancienne-Lorette or Saint-Augustin-de-Desmaures

To get to school, high school students living in the above-mentioned *arrondissements* and cities use Québec City's public transportation service provided by the *Réseau de transport de la Capitale* (RTC).

RTC = MEANS MORE FLEXIBILITY

As the RTC routes are continually being improved, the School Board can offer this service to a larger number of students year after year; RTC services are much more flexible and convenient than "yellow school buses". Indeed, by using the RTC, students spend less time travelling, since the RTC routes are shorter and faster than those of yellow school buses. In addition, travelling with the RTC allows more students to participate in the various after-school activities at the end of the day.

OPUS CARD WITH PHOTO

Please note that students are responsible for obtaining their Opus Photo Card. To obtain the Opus card, or to renew it if it has expired, please contact the RTC directly at **418-627-2511** or visit www.rtcquebec.ca.

If your child has never taken public transportation to get to school, we suggest that you have him or her practice the route a few times during the summer holidays. Your child will be more comfortable knowing his or her RTC route before the first day of school.

Also, don't forget that in addition to using his Opus card to get to school, your child can use it at any time, including weekends, according to the RTC schedules.

REIMBURSEMENT OF MONTHLY PASSES

In January and July, a reimbursement equivalent to 70% of the cost of monthly passes purchased during the school year will be issued to parents who have completed the form [here](#). In order to take advantage of this reimbursement, simply make sure to fill out and return this form before **October 15th**, to the following address transport@cqsbc.gc.ca.

QUESTIONS?

Consult our FAQ, chances are, you will find the answer you are looking for!

We thank you for your cooperation and wish you a great summer!
