PHYSICAL EDUCATION

Your child will not change for gym. Your child **MUST** dress in gym clothes on Gym day. Your child should wear sweatpants (or shorts in warmer weather) and a t-shirt and running shoes. ***On Gym day skirts, dresses, jeans or pants with pockets, zippers and/or belts should not be worn as these may cause injury.*** Students not wearing appropriate clothing will not participate in gym activities.

Your child needs **1 pair of running shoes for indoors and one pair for outdoors**. Skateboard shoes or high-heeled platform running shoes are not appropriate for gym. Flat shoelaces stay tied better than round ones. If your child cannot tie his/her own shoes, we suggest that you purchase shoes with Velcro fasteners.

Students must always have a clean pair of indoor shoes to wear in the building. These could be their gym shoes.

A CHANGE OF CLOTHES in a labelled bag – (accidents happen – upset tummies, muddy socks ...) Your child needs an extra pair of socks, underpants, t-shirt and pair of pants in a draw-string bag that can be placed on a hook. **EVERYTHING SHOULD BE LABELLED.** ☺
