

2016 Christmas CONCERT

Therefore, we the Shawnee High School community...

- Provide a safe and secure learning atmosphere;
- Offer the students an education that is centered on mastering both official languages with a primary orientation towards English;
- Offer the students a variety of academic, social, athletic and arts activities;
- Recognize students for their accomplishments as well as hold students responsible for their actions;
- Encourage the students to be actively involved in the learning paths offered within a safe and secure environment, thereby increasing creativity and self-learning;
- Promote social responsibility through Green School initiatives.
