

Supplies required for the 2018 - 2019 school year KINDERGARTEN - BOYS

School supplies will be put into community baskets. Children will share glue, crayons, pencils and erasers. Please be sure your child understands that all classmates will use the supplies he/she brings. **Please label only your child's scissors (on blade), shoes, towel, school bag, lunch box, and paint shirt in large black print;** a *Sharpie* brand marker works best.

- 1 *LePage* or *Elmer's* liquid white glue 125 ml bottle
- 1 Staedtler Triplus Jumbo HB2 pencil
- 1 pair scissors (**round tipped metal blade** - plastic handle)
If your child is left-handed please ensure that you buy the correct scissor type.
- 2 packages of construction paper (50 sheets each, multicoloured) (**no pads please/feuilles séparées**)
- 1 set of 12 pencil crayons (not wax) - **sharpened** *Maped Jumbo Triangular Color Peps pencils*
- 3 boxes of large *Crayola* markers (8 colours) – Please vary colours (Bold, Original, Tropical)
- 1 box of *Crayola Twistables* (12 colours) – **wax crayons**
- 1 painting smock (an old t-shirt of dad's will do nicely – shorten sleeves to child's length)
- 1 white eraser - *Staedtler*
- 4 glue sticks (large, 40gr – no screw caps or liquid glue) *Pritt, Elmer's disappearing purple*
- 1 school bag* (large enough to hold a binder) - to be brought to school every day
- 1 lunch box*
- 2 boxes of Kleenex (*For reasons of personal hygiene, it is recommended to provide your child with a box of tissues that can be renewed as needed*)
- 1 small container of Playdough of any colour (for personal use, can be store bought or homemade) to be replaced as needed by parents
- 1 sketch pad

**an existing container or carry-all from home will do: should be sturdy enough to last the year*

➤ **Important: no rulers – no pencil sharpeners – no pencil cases**

RELAXATION: 1 large towel (no blankets or pillows please)

PHYSICAL EDUCATION: Your child will not change for gym. Your child MUST dress in gym clothes on gym day. Your child should wear sweatpants (or shorts in warmer weather) and a t-shirt and running shoes. ***On Gym day skirts, dresses, jeans or pants with pockets, zippers and/or belts should not be worn as these may cause injury.*** Students not wearing appropriate clothing will not participate in gym activities.

Your child needs **1 pair of running shoes for indoors and one pair for outdoors**. Skateboard shoes or high-heeled platform running shoes are not appropriate for gym. Flat shoelaces stay tied better than round ones. If your child cannot tie his/her own shoes, we suggest that you purchase shoes with Velcro fasteners.

Students must have a clean pair of indoor shoes to wear at all times in the building. These will be their gym shoes.

A CHANGE OF CLOTHES in a labelled bag – (accidents happen – upset tummies, muddy socks ☺) Your child needs an extra pair of socks, underpants, t-shirt and pair of pants in a draw-string bag that can be placed on a hook. **EVERYTHING SHOULD BE LABELLED.** ☺

PLEASE **IDENTIFY** SCHOOL BAG, LUNCH BOX, SCISSORS, SHOES, AS WELL AS ALL CLOTHING – children very often do not recognize their own belongings!

N.B. We do not receive financial consideration from companies/manufacturers whose products we recommend. We recommend them simply because we've found them to be the best value/quality for the price.
