WHY CHOOSE DOLLARD-DES-ORMEAUX SECONDARY?

Dollard-des-Ormeaux School has been offering quality education since its construction in the late 1950's. The school was primarily built to provide education to children of military personnel of BFC Valcartier. Over the years, DDO has joined the Central Quebec School Board, and now offers public education to nearly 700 elementary and secondary students from St-Raymond, Ste-Catherine-de-la-Jacques-Cartier, Shannon, Val-Bélair and St-Gabriel-de-Valcartier.

Despite the multitude of transformations that Dollard-des-Ormeaux School has experienced, the family atmosphere and engaging caring attitude of its entire staff has remained steadfast throughout the years.
