BEHAVIOUR

Expectations

We expect students to behave appropriately and follow school rules.

Family involvement

Family involvement is important to student success. Please discuss what it means to behave appropriately and to follow school rules. When necessary, the school will inform parents of inappropriate behaviour and, if necessary, schedule a meeting to develop a plan.

School mission

Our mission is to teach students the academic, social, and thinking skills necessary to become citizens capable of accepting challenges, taking responsibility and valuing themselves and others in a diverse world. Ste-Foy Elementary is a safe, caring and respectful place where each child's learning and social skills will grow.

Code of Conduct

Students must respect our Code of Conduct.

CAFETERIA AND SNACKS

Microwaves

We do not have microwaves in the cafeteria. Please pack lunches that do not require reheating or use a thermos.

Some snacks we recommend are:

•cheese • fruit • vegetables • yogurt • smoothies • homemade baked goods

Peanuts/Nuts

Please do not send any food that contains peanuts or nuts because of allergies. For the same reason, students must not share food with others.

Water bottles

Please send your child to school with a water bottle.

Utensils

The cafeteria does not have utensils to lend to students.

Cafeteria service

It is with great pleasure that “Béa” will be providing artisanal cafeteria services using fresh produce (without nuts) at Ste-Foy Elementary. Our goal is to prepare fresh and nutritious food that kids will enjoy and that parents can feel good about. Online ordering and payment processing on [Facebook](#) (Béa-plats cuisinés et cie). To meet our standards of quality, while reducing food waste, our menus may vary according to seasonal and/or freshness of produce availability. Rest assured, we consider it a privilege to have the opportunity to nourish young students and we hope that, with your help, we can educate them about the importance of wholesome food and healthy eating habits. Sincerely, Chef Louis

Students may not use personal electronic devices such as ipads and mobile phones at school unless staff gives permission. While devices are allowed to be used on the bus, once they get to school, they must be turned off and stored in a student's backpack in their locker.
