 - For “Bridge Courses” students must have the prerequisite grades/credits for school board approval
- have at least a 50% mark or with approval of School Board

WHERE: All classes are offered online using Zoom. Students must have daily access to a computer and reliable internet and will be provided with a quick start guide. Contact your school if you need to borrow a computer.

Evaluation:

LEARN summer school teachers will provide instruction and evaluation for Secondary 4 & 5 courses listed below. All summer school teachers are certified and qualified subject specialist teachers. **For courses with a ministry Uniform Examination, students will be registered for exams by their school board and will write the exams in their region’s designated CQSB school.**

HOW to Register: Online registration: learnquebec.ca/summerschool. Once a student has registered, LEARN will communicate with the student’s school board to verify registration.

Your school board will contribute \$100 toward the cost of summer school for students retaking a mandatory course that was failed during the school year. This price adjustment will be made during the registration process (\$150 instead of \$250). Your school board will not cover any fee for students who have already passed a course and for “Bridge Courses”.
